

# PARMITER'S CAREERS DEPARTMENT

## OPPORTUNITIES UPDATE

There are a number of careers-related webinars and work experience opportunities currently available for students with upcoming deadlines and I wanted to ensure that everyone had access to them in time to apply. If you have any questions, or if the company you work for offers work experience or careers-related webinars that you want to share with the school community, please email me [j.zanetti@parmiters.herts.sch.uk](mailto:j.zanetti@parmiters.herts.sch.uk) or fill in the form [here](#)

## WEBINARS

### IBM Apprenticeship Webinar—Wednesday 12 October 2022, 6:30 – 7:15pm

This is open to students and parents of those in years 10 to 13 who are considering a career in technology.

#### About this event:

Are you prepared to solve some of the world's most unique challenges? And ready to shape the future for millions of people?

Learn more about apprenticeship opportunities at IBM, with presentations from 2 current apprenticeships, offering organisation insights and a Q&A session, where you'll be able to ask questions directly to the recruitment teams. The main speaker for the event will be John Griffin, early professionals manager at IBM. Please sign up [here](#) to attend.

### Women in STEM at PwC Webinar— Wednesday 19th October, 6.30—7.15pm

This is open to female students and parents of those in years 10 to 13 who are considering a career in technology or accounting.

#### About this event:

Join PwC to hear from some of their inspiring females in technology and discover what a career in Technology or Accounting at PwC could look like for you and how you can find a role with a positive purpose.

Learn more about apprenticeship opportunities at PwC, with talks from current apprentices, the flying start accounting degree ambassador and the student recruitment officer. There will also be a Q&A session, where you'll be able to ask questions directly to their recruitment teams.

Please sign up [here](#) to attend.

### Interested in Maritime Careers? Monday 10th October 3.30-4.30pm

Join an online introduction to Maritime Careers, followed by a Q&A session.

Responsible for enabling 95% of the UK's global trade, Maritime touches every part of our lives. With the sector expected to double in size to \$3trn by 2030, we need the next generation of innovators and problem solvers to join the industry and help shape the future of the world we live in. In this discussion, discover more about the Maritime Sector and entry routes into Maritime Careers!

Sign up here: [Welcome to Maritime Careers Q&A](#) | [Maritime UK](#)

### Careers in Event Planning? Thursday 29<sup>th</sup> September 4.30- 5.30pm

The Hertfordshire Opportunities Portal (HOP) is running weekly careers webinars where you can hear from, and ask questions to, professionals in different careers sectors who work within Hertfordshire. The focus of this first webinar is **Careers in Event Planning**.

This is a sector with huge demand in Hertfordshire and the webinar will feature Tinnique Hay, an Event Professional with 8+ years of experience established within the meeting, conference and private event sector, who has set up her own Events Management company, **Hay Events**.

Registrations are now available [by following this link](#)

## OPPORTUNITIES AND INFORMATION

### Virtual Work Experience week at WSP - a global engineering professional services business— 24th - 28th October

Students participate in various modules throughout the week which are run by Engineers/ Consultants working at WSP.

The presenters introduce the students to their field (i.e. structures, environment, flood risk and drainage etc), talk about their role, their routes into industry and their real-world project experiences at WSP. All presentations include an interactive activity for students to undertake relevant to that job role. They also cover routes into engineering, including Apprenticeships. Please apply here: [STEM@WSP Virtual Work Experience 24-28 Oct \(1\).pdf](#)

**Forage** offers free virtual work experience programs which replicate work at top Fortune 400 companies and help students to gain the skills to be successful when applying and working for these businesses.

Current work experience programmes offered include **JP Morgan, VISA, SAP, Deloitte and Infosys**. Create an account and explore the opportunities [here](#)

### Amazing Apprenticeships Parents' Pack - September 2022

This excellent resource includes:

- the latest information on the new doctor apprenticeship
- what an accelerated apprenticeship means
- information about higher and degree apprenticeships
- new career starter resources
- an employer's perspective of apprenticeships
- post 16 options for students with SEND

Access the pack here: [Parent Pack September 2022.pdf](#)

### 'What can you do with a degree in....' Webinars

Unifrog are offering a number of webinars over the coming months focussed on exploring what careers different subjects can lead to, such as

**History, Maths and Modern Languages**. A variety of universities will be contributing to the discussion. Ask your child to sign into Unifrog and go to the 'Webinar' tab to sign up.

**Speakers for Schools** is currently offering a large number of excellent free opportunities where students will get to interact with experienced professionals across a wide variety of career sectors.

Click [here](#) to access information on all the upcoming work experience and insight opportunities available. All applications will be sent through to Mrs Zanetti for verification.

**Springpod** offers a large number of virtual work experience programmes across a variety of sectors including finance, healthcare, law, technology.

Many are running over the half term break. Access the programmes and sign up [here](#)

### Warner Bros and creative careers talk—1.30pm 11th October

**Warner Bros** are coming in to give a lunchtime talk on Harry Potter, film making processes and possible career opportunities that are available in the creative industries. Please encourage your children to attend this if they are interested in learning more about the creative sector.
