

PARMITER'S CAREERS DEPARTMENT

OPPORTUNITIES BULLETIN

There are lots of opportunities available currently, so here is an update on them. Please let Mrs Zanetti know if you apply for anything listed here or if you want to talk about any of the opportunities further. Also—please make an effort to attend the Warner Bros talk (on Tuesday lunchtime for Years 10-13) as it took a lot of work to get them to come in!

IN-SCHOOL OPPORTUNITIES

Warner Bros—creative careers talk—1.30pm 11th October—Conference Centre

Warner Bros are coming in to give a lunchtime talk on Harry Potter, film making processes and possible career opportunities that are available in the creative industries. They are bringing costumes and props from the films too. This will be a good opportunity to hear directly from them about opportunities and careers at the studios and is a good networking opportunity. It would be good to see a good number of you there! Open to Years 10—13.

Ernst & Young (EY) presentation—1.30pm 13th October—Conference Centre

EY will be giving a presentation on this global professional services business, the opportunities and work experience they offer, and their Degree Apprenticeships I strongly advise that you come to this presentation if you are interested in EY and/or learning more generally about this sector and the opportunities they can offer you.

Good for networking too! Open to Years 11-13.

Oaklands College—Assembly 17th October & Course Taster Day 19th October

West Herts College Assembly—7th November (both Year 11)

Oaklands College will be coming in for an assembly to talk about studying at College, their courses and college life. This will be followed by a visit to the College for some students to take part in Taster Sessions for the courses they offer. This is a great way to get an insight into courses you might be interested in. If you think you would be interested in attending the Taster Day, please come and see Mrs Zanetti.

West Herts College assembly will be after half term.

Careers in the Fire & Rescue Service. Thursday 13th October 4.30- 5.30pm

Next week's careers webinar will be about Hertfordshire Fire Service and the many exciting career opportunities it offers. This webinar will enable you to find out about the day in the life of a Hertfordshire Fire Fighter who will share his experiences and discuss the recruitment process through an innovative apprenticeship scheme.

If you would like to join this webinar, please sign up here <https://www.hopinto.co.uk/explore-careers/virtual-employer-encounters/>. Please let Mrs Zanetti know if you sign up to this.

An insight into healthcare professions with the NHS - 11 October 5-5.45pm

In this webinar the NHS Health Careers team will be chatting to student mental health nurse, Abdul, paediatric physiotherapist, Chloe and medical student, Takanayi as they share their career journeys. Find out what it's like to work and train in a healthcare profession, how they got into healthcare and have the opportunity to ask them questions. Log onto Unifrog and go to the Webinars tool to sign up. There are lots of other excellent webinars to sign up to there—please let Mrs Zanetti know if you do!

OPPORTUNITIES AND INFORMATION

Work Experience Opportunities: The Princess Alexandra Hospital NHS Trust

There are a range of excellent clinical and non-clinical in-person placements available across a range of specialities, areas and departments, including **Radiology, Finance, HR, Speech & Language Therapy, Pharmacy, Dentistry, Pathology, Dietetics, Physiotherapy, Business**. Further placements at PAHT will be added to the NHS Talent Portal as they become available, including the Medical Shadowing Programme which is designed for those intending to apply for medical school, so check back regularly. To view and search for work experience placements, register for an account with **NHS Talent Academy** [Work Experience | NHS Talent Academy](#) then login to apply. Check the location and dates of the placements and age restrictions before applying and let Mrs Zanetti know if you do.

National Space Academy Online Careers Conference

Year 10 & 11— Saturday 3rd December 10:30 am– 12:30 pm

Year 12 & 13— Saturday 3rd December 2pm—4pm

The UK Space Industry has an annual turnover of £16.4 billion and employs over 45,000 people. The UK Space Innovation and Growth Strategy has a target of achieving 10% of the global space market, which is estimated to be £400 billion by 2030. These interactive online careers conferences will explore the range of careers available before delving further into the career choices of three of our speakers. Looking at how their career journey brought them to where they are today and what it is they do daily. This will be followed by a 30-minute Q&A session with the speakers.

[register here](#) for both events, make sure to choose the right age group and let Mrs Zanetti know.

GSK Virtual Work Experience Programme - Monday 24th - Thursday 27th October - 9am—4pm (Years 10—13)

This programme will provide GCSE and A level students with the opportunity to:

- learn about the 'Molecule to Market' pharmaceutical process, from drug discovery to marketing
- learn about STEM career opportunities
- gain career application hints and tips
- gain an industry-accredited Bronze Industrial Cadets Award

You will need to complete approximately 20 virtual hours between these dates. All GSK live sessions will take place on Monday to Wednesday 26th October. The final day will be Thursday 27th October - this will be allocated as an independent study day, to enable students to upload their presentations and be accredited as Bronze Industrial Cadets. Registration will close on 12th October at the latest. [Register here](#)
