

PARMITER'S CAREERS DEPARTMENT

OPPORTUNITIES UPDATE

There are a number of job, apprenticeship and work experience opportunities currently available for students with upcoming deadlines and I wanted to ensure that everyone had access to them and doesn't miss the deadlines. If you have any questions, or if the company you work for offers work experience or job opportunities you want to share with the school community, please email me j.zanetti@parmiters.herts.sch.uk or fill in the form [here](#)

I am running a 2 day **Careers Enrichment programme for Year 10** on the 5th and 6th of July. If you would be interested in running a workshop or delivering an interactive presentation based around your career sector as part of this programme please email me.

GSK is offering a **Virtual Work Experience** programme which will provide GCSE and A level students with the opportunity to:

- Learn about how GSK takes products from molecules to market
- Take part in virtual team building exercises to develop their skills
- Learn about different career opportunities across Science, Technology, Engineering and Maths.
- Gain job application hints and tips
- Gain an industry-accredited Bronze Industrial Cadets Award.

It is taking place between **Monday 30th May to Thursday 2nd June** for students in Years 10 to 13. For more information and to sign up please click [here](#) The deadline for sign up is 9th May.

Mercedes-Benz

Mercedes-Benz are currently recruiting for apprentices across a variety of roles, in their nationwide network of retailers and dealers. They have vacancies for **Light Vehicle and Heavy Vehicle Technicians, Customer Service Experts and Retail Parts Advisors.**

Their apprenticeships are open to students who are 16 and over (they must be 16 to start the programme in September, so can apply whilst they are 15), and ideally they look for students with a grade 4 or above in English and Maths at GCSE. They offer functional skills courses where these grades have not been achieved. Please click [here](#) to insert your postcode and search for vacancies in your local area.

Borras Construction are a highly respected main contractor based in St Albans who are recruiting for 2 apprentices to start in September 2022 to join their **Management Trainee Apprenticeship Programme.** The trainees will receive an insight to all the different careers available within the construction industry and the company. Click [here](#) for more details on the apprenticeship and application process. Deadline for applications is 6th May.

BT are recruiting apprentice **Digital Applications Technicians** who will train to help internal users and customers to maximise the use of digital technologies and adapt to changes in technology, providing technical expertise on IT applications and databases.

This is a Level 3 qualification (post-GCSE) and will be based at BT's Hatfield office. Applications close on 31st May, with an expected start date of 1 September. Please click [here](#) for more information on this and other related apprenticeships.

Monday 16th May 5:00 - 6:00pm Insight to Jaguar Landrover Webinar

This webinar will explore the fascinating world of the ever evolving motor industry and Jaguar Landrover's visions for the future with revolutionary new sustainable technologies particularly in the electric car space. You will hear from some of the world's leading engineering minds in the industry.

Jaguar Landrover have a wide variety of school-leaver opportunities in a number of engineering fields, data analytics, supply chain & logistics and finance which they will discuss too. Click [here](#) to sign up. Suitable for Year 10 upwards.

Thursday 28th April – Careers at Tesco interactive webinar

Did you know that TESCO's UK Head Offices are based in Welwyn Garden City and over 1000 people work there? Whilst the in-store teams at TESCO fulfil a vital role there is so much that goes on behind the scenes with apprenticeship, internships and graduate programmes available for young people to access. In this webinar you will meet 4 Tesco employees who have very interesting jobs in Technology, Finance and Merchandising that you may have never heard of before. Click [here](#) to sign up to attend. Suitable for Year 10 upwards.

Click [here](#) to access a library of webinars across a variety of careers and sectors.

Tuesday 3rd—Thursday 5th May 'What can you do with a degree in...?' Webinars

Unifrog are running a number of webinars focussing careers related to degrees in **Modern Foreign Languages, Sport, History, English, Politics and Science**. A variety of universities will be contributing to the discussion. Sign up [here](#) on the 'Webinar' tab using your Unifrog login, where you will be able to also access and sign up for a large number of interesting webinars.

Don't forget to keep looking on the Speakers for Schools website for virtual work experience and insight opportunities over the coming months. Click [here](#) to access the portal. There are a large number of excellent opportunities where students will get to interact with experienced professionals across a wide variety of career sectors.
